Special Attention Asked.

We do not see how any one can read our ad, without believing we are honest and earnest in our claims regarding our Closing Sale and Low Prices. It would be worse than useless for us to hold out inducements to the reader that we cannot fulfill, as every buyer will see the article and learn the price before purchasing. Therefore, we should not claim what we do if we were not in position to carry out promises. So, admitting that we think we are right, don't you think it worth your time and trouble to come and see if it isn't so? We shall show every visitor some grand good bargains, of which the following are a few:

100 More Office Coats at 25 cents. 100 Pair of Men's Pants, Linen and Seersucker, 50 cents. 50 Men's Vests, Linen and Seersucker, 50 cents. 200 English Seersucker Coats and Vests, \$1.75.
